Dear Investor:

The United States Attorney's Office for Colorado forfeited approximately \$9.8 million related to the FusionPharm securities and wire fraud perpetrated by defendants William Sears and Scott Dittman. (*U.S. v. William J Sears et al. Criminal Case*. Case No. 1:16-cr-00301-WJM (District of Colorado)). These proceeds will be distributed to eligible victims through a process called "remission." Authority to grant remission rests with the Department of Justice, Money Laundering and Asset Recovery Section (MLARS) pursuant to the Code of Federal Regulations, Chapter 28, Part 9 (2019).

MLARS has retained Analytics to assist in reviewing victim remission petitions and distributing the forfeited funds. If you are determined to be an eligible victim of the fraud, you may be eligible to receive compensation for any pecuniary losses you incurred. If you wish to be considered for remission, you must complete the enclosed Petition Form and return it to the Remission Administrator.

You must provide supporting documents for the money you lost from trading in FSPM in the secondary market between March 1, 2011 and September 30, 2014. Screenshots of electronic account information are acceptable, but they must identify the date of transactions and names of account holders.

All amounts should be stated in US dollars. If you invested in a different currency, please convert to US dollars using the conversion rate at the time of the investment.
